Jeruzalémská 9, 116 52 Praha 1, Czech Republic

Authorized Body 235

Notified Body 1024

## EC TYPE EXAMINATION CERTIFICATE No. 235/E-053/2008

This EC Type Examination Certificate is issued to:

*Manufacturer:* **Sure Foot Corporation**  
1401 Dyke Ave, Grand Forks, N.D. 58201, USA

*identification number:* 840

*PPE product:* Due North All Purpose Traction Aids – Improved Design

It is certified that the manufacturer's technical file and above mentioned PPE product have been assessed and found to be in accordance with the basic health and safety requirements of Government Order 21/2003 Coll., which implements Council Directive No. 89/686/EEC "Personal Protective Equipment" as amended by Council Directives 93/68/EEC, 93/95/EEC and 96/58/EEC, as recorded in Report No.235/ZZ-045/2008, which is an integral part of this Certificate.

When examined the model was found to meet all of the relevant requirements of the appropriate harmonized standard(s):

**ČSN P ENV 13287:2001** Safety, protective and occupational footwear for professional use – Test method and specifications for the determination of slip resistance.  
(idt. ENV 13287:2000)

Marking and instructions have been assessed in the English language only.

For and on behalf of Occupational Safety Research Institute  
- Authorized Body 235, Notified Body No. 1024:

*Date of Issue:* **27.11.2008**

A handwritten signature in blue ink, appearing to read 'K. Škréta'.

Ing. Karel Škréta

Description and picture of the PPE product:

**Due North All Purpose Traction Aids – Improved Design** is an aid to reduce slipping. The product is made of a rubber and it has 6 exchange plastic holders with carbide tungsten spikes. For use on ice and packed snow.

**Improved Design**  
Traction • Fit • Comfort

- New tread design and repositioned Ice Diamond™ spikes provide more comfort under the foot and improved traction.
- Textured lining grips footwear and helps keep traction aids in place.
- Geometrically designed webbing and improved shape comfortably fit a greater variety of footwear.
- Special rubber compound maximizes durability while maintaining elasticity in subzero temperatures.

Freeze...thaw...freeze, repeat...  
Perfect for fall, winter and spring.

**More Confidence on Ice and Snow**  
Simple to Use:

- Place toe over front of shoe.
- Pull heel over back of shoe.
- Adjust to center spikes on bottom of shoe.

Check position of product periodically while wearing and adjust as needed.

**Approximate Sizing Guide**  
(Footwear sizes may vary. Try on for a snug fit.)

**WARNING:** DueNorth traction aids help give you traction when you are on the move on ice and snow. However, because no product can completely prevent a slip or fall on slippery surfaces, remember to exercise care when walking or running in DueNorth traction aids. Caution should be taken when moving on any hard or polished surfaces such as granite or marble and on ladders or when driving a vehicle. DueNorth traction aids may damage certain flooring surfaces. DueNorth traction aids are not to be used for mountaineering and/or hiking in rocky terrain where the user may encounter steep up or down inclines. DueNorth traction aids are not designed nor intended to be used on high heel footwear.

Graphical appearance of CE mark. In the event of the involvement of a notified body in the stage of manufacturing check its distinguishing number shall be added to CE mark.
